Computer Science Students Association
Australian National University

Executives and Committee,

I wish to tender my resignation effective immediately. To avoid needless speculation, the reasons for this decision are:

- A significant change in my personal priorities,
- My belief that the things I'm interested in working on are separate from the roles of the CSSA, and
- That these goals can be achieved more effectively having removed myself from my CSSA obligations.

This decision has not been caused by any particular recent event, nor has it been caused or influenced by any member of this committee.

While, within constitutional bounds, it is at the discretion of the committee as to how the vacancy shall be filled, it is my preference that, as permitted under section 6.10, my responsibilities be assigned to another committee member in order to minimise potential disruption. The committee may also publicise my resignation as they see fit.

I will continue to engage with the committee regarding events I'm already planing, but this will be in my capacity as a regular member

Regards,

Benjamin Roberts
CSSA Secretary
